

## Reference List - Materials Science -

RWTH Aachen, IPC / Lehrstuhl 1, Aachen (Germany)  
 RWTH Aachen, Werkstoffwissenschaften, Aachen (Germany)  
 RWTH Aachen, Institut f. Gesteinshüttenkunde, Aachen (Germany)  
 ABB Kraftwerke AG, Baden (Switzerland)  
 ACA e.V, Institut f. Angewandte Chemie, Berlin (Germany)  
 University of Alberta, Dept. of Chemistry, Edmonton (Canada)  
 Alfred University, NYS College of Ceramics, Alfred (USA)  
 Allied Signal Inc. Metglas Products, Parsippany (USA)  
 University of Amsterdam, Naturkundig Laboratorium, Amsterdam (The Netherlands)  
 Ankara University, Physics Dept. , Ankara (Turkey)  
 APL Engineered Materials, Urbana (USA)  
 Argonne National Laboratory West, Nuclear Waste Materials, Idaho Falls (USA)  
 Arizona State University, Dept. of Chemistry and Biochemistry, Tempe (USA)  
 Universidad del Atlantico, Dpto de Fisica, Barranquilla (Colombia)  
 Atomic Energy Corp. of South Africa, Pretoria (South Africa)  
 Auburn University, Dept. of Chemistry & Biochemistry, Auburn (USA)  
 Universität Augsburg, Experimentalphysik I, Augsburg (Germany)  
 Universität Augsburg, Experimentalphysik III, Augsburg (Germany)  
 Universität Augsburg, Institut für Physik, Augsburg (Germany)  
 AWE Plc, Berkshire (Great Britain)  
 Bahauddin Zakariya University, Multan (Pakistan)  
 Universidad de Barcelona, Dept. de Fisica Fonamental, Barcelona (Spain)  
 BASF AG, ZAX/ EM M300, Ludwigshafen (Germany)  
 Battelle Laboratories, Columbus (USA)  
 Bayer AG, ZF-TPF 3, Krefeld (Germany)  
 Universität Bayreuth, Metallische Werkstoffe, Bayreuth (Germany)  
 Bechtel BWXT Idaho, LLC INEEL, CFA-601, Scoville (USA)  
 University of Science & Technology, State Key Lab. for Advanced Metallic Materials,  
 Beijing (P.R. China)  
 NV Bekaert SA, Zwevegem (Belgium)  
 Bergische Universität, FB Physik, Wuppertal (Germany)  
 FU Berlin, Institut für Mineralogie, Berlin (Germany)  
 TU Berlin, Institut für Metallforschung, Metallphysik und –technologie, Berlin (Germany)  
 Birkbeck College, London (Great Britain)  
 University of Birmingham, Dept. of Metallurgy & Materials, Birmingham (Great Britain)  
 Universität Bochum, Institut für Experimentalphysik, Bochum (Germany)  
 Universität Bonn, Institut für Anorganische Chemie, Bonn (Germany)  
 Universität Bonn, Mineralogisches Institut, Bonn (Germany)  
 Université de Bordeaux I, Bordeaux (France)  
 TU Braunschweig, Institut für Materialwissenschaft, Braunschweig (Germany)

TU Braunschweig, Institut für Werkstoffkunde, Braunschweig (Germany)  
 Universität Bremen, Institut für Strukturforschung und Werkstoffphysik, Bremen  
 (Germany)  
 Brookhaven National Laboratory, Materials & Chemical Sciences Div., Energy Sciences  
 & Techn. Dept., Upton (USA)  
 California Institute of Technology, Materials Science, Pasadena (USA)  
 University of California, Chemical Engineering & Materials Science, Davis (USA)  
 University of California, Chem. Engineering & Materials Science, Irvine (USA)  
 University of California, Los Alamos National Laboratory, Los Alamos (USA)  
 University of California, Materials Research Lab, Santa Barbara (USA)  
 University of California, Dept. of Mechanical Engineering, Santa Barbara (USA)  
 Universidad de Cantabria, Ciencias de la Tierra y Física de la Materia Condensada,  
 Santander (Spain)  
 CCLRC Rutherford Appleton Laboratori, Oxon (Great Britain)  
 CEA / Le Ripault, Monts (France)  
 CEA Cadarache (France)  
 CEA, Site de Pierrelatte (France)  
 Cendres et Métaux S.A., Biel (Switzerland)  
 Central South University, State Key Lab of Powder Metallurgy, Changsha,  
 (P.R. China)  
 Centralne Laboratorium Akumulatorow i Ogniow, Poznan (Poland)  
 Centro Brasileiro de Pesquisas Fisicas, Rio de Janeiro (Brazil)  
 TU Chemnitz, Institut für Physik, Chemnitz (Germany)  
 Christian-Albrechts-Universität, Lehrstuhl f. Materialverbunde, Kiel (Germany)  
 TU Clausthal, Institut für Metallurgie, Clausthal-Zellerfeld (Germany)  
 CNRS-CRMHT, Orléans (France)  
 CONDEA Chemie GmbH, Brunsbüttel (Germany)  
 University of Connecticut, Institute of Materials Science, Storrs (USA)  
 Consejo Superior de Investigaciones Cientificas, Madrid (Spain)  
 CSIC – Instituto de Ciencia de Materiales de Barcelona, Bellaterra (Spain)  
 Academy of Sciences of Czech Republic, Institute of Physics of Materials Brno, Brno  
 (Czech Republic)  
 CSIRO Energy Technology, Science & Technology Center, Lucas Heights (Australia)  
 Daimler Benz Forschungszentrum, Ulm (Germany)  
 TU Darmstadt, Anorganische Chemie II, Darmstadt (Germany)  
 TU Darmstadt, Institut für Festkörperphysik, Darmstadt (Germany)  
 TU Darmstadt, Institut für Physikalische Chemie, Darmstadt (Germany)  
 TU Darmstadt, Eduard-Zintl-Institut, Darmstadt (Germany)  
 TU Darmstadt, Institut für Physikalische Metallkunde, Darmstadt (Germany)  
 TU Darmstadt, Technische Petrologie, Darmstadt (Germany)  
 TU Darmstadt, FB Materialwissenschaften, Darmstadt (Germany)  
 University of Dayton, Magnetics Lab, Dayton (USA)  
 Dokuz Eylul University, Metallurgical & Materials Engineering, Bornova Izmir (Turkey)  
 Universität Dortmund, Chemietechnik, Werkstoffe u. Korrosion, Dortmund (Germany)  
 TU Dresden, Institut für Kristallographie, Dresden (Germany)  
 Drexel University, Materials Science, Philadelphia (USA)  
 University College Dublin, Engineering & Materials Science Center, Dublin (Ireland)  
 Durham University, Dept. of Chemistry, Durham (Great Britain)

Ecole des Mines, Laboratoire de Métallurgie, Nancy (France)  
 Edelstahlwerk Witten-Krefeld GmbH, Krefeld (Germany)
